The Whigs of Cumberland meet at Burrell's, in Gray, on I HUR DAY, the 20th of Aug 1st

- J\_

In I'he Democrat more than insinuates that there have been removals of foreign ininisters, and that "new ministers have been sent abroad with \$9000 inore than it would have required to retain the old ministers ! The more than insinuation of the Democrat is false, mean con temptible, and intended to deceive and mislead its readers. The editor of the Democrat knows the fact, or should know it, that although about five months have elapsed since the Whig ad ministration came into power, not one Ambassa

We give the ficts, and leave the people to judge - The only appointments made of Foreign Minlaters are Edword Everett in place of Mr Stevenson who has asked to be superceded at London C S Todd in place of Mr Cambre leng, with has long since shandoned Russ a and is travelling in the Southand I amore. Danrel Jennifer to Austria, in place of Mr. Muhlen his own accord

dor or Charge has yet been recalled 1

Let the people but compare the course of the Whig administration in regard to removwhich Jackson swept foreign ministers from for I gave him but his hilling to pick the whole office, and the meanness and ' hypocricy' of the Democrat a institution will be apparent

The Steamers Portland and Bangoc, have ad their face from Boston to Portland, to one dollar, and the M Y Beach carries passengers to and from Boston for the same price !

11.1 ne Steamer Bangor is hereafter to make two trips per week between Portland and Ports month, leaving Portland on Teradays and Satur days at Do'clock A M and return to Portland and Portland

NEW AND IMPORTANT DISCOVERY DR. PHELPS' COMPQUND TOMATO PILLS,

[ENJIRELY VEGETABLE ] I Note and Invaluable Medicine for all Diseases arraing from Impurities of the Blood, Morbid

Secretions of the Liver and Stomach, also a Substitute for Calomel;

as a Cathartic in Fevers and all Billious Affections

THESE popular Pulls being a combination of a newly of covered Alkaline substance extract of train the Trimia IN Pl AN P withother vegeta ble substances which have been found to models and diffuse its effects are believed to be the best Alternaya and Cathart'e Medicine ever discovered I has have been at undar thy and successfully tried, and have receiv June ereal epprohation for Seret ache &cc

They are an antidote to Contagious and Epidem-Le diseases; prevent the fermation of Billions and Liver affections. Fever and Ague, &c. in those who reside in hot climates, and law and marsely THURSDAY Evening To Windsor, (on 15th used for those localities Seamen will find them an intallible remedy for the Scurvy; and Travellers, intallible remedy for the Scurvy; and Travellers, the best medicine they can use to counteract the dangers of exposure in unhealthy climates. For or-dinary Family Physic, they are universally approv-

ed. as the best ever offered.
These Pills have a powerful and salutary opera-tion upon the Glandular System, removing all obstructions from the Gland wherever situated. Sett-Profuse Expectoration, and all affections of the osities and Scrofulous Caints in all their forms, and Chest, Lungs and Liver if persevered in no case of Scrofula however se vere can resist its influence. It is in their operation on the Glandular Bystem, that their effects are diseases of the Lungs and I iver so peculiar and potent and so nearly resemble that of Caloinel In fact the I omatine-har all the Al has been able to extract from these medical nerbs terative Deobstrient and Cadimetry properties of a hafam which exerts a most wonderful effect in Calomel without ever producing unpleasant or in cyling Consumption and I iver Complain and all jurious effects under any circumstances, either from other diseases of the fungs and Chest. So great expanse to cold or wet, on the contrary, the Companies became the reputation of Dr. Atlen's Hatsam pound l'omato Pills are the best remed, ever known that it is now used in the New York. Philadela to counteract the effects of Mercury, completely delphia and Balumore Hospitals and in the prieradicating evers particle of it from the system and vale practice of our most eminent medical men renovating the constitution broken down by its use, which it does by correcting the state of the blood, Lungs, Colds Cough, Croup, Quinsy, and Sore and through that correcting the morbid secretions. Throat this Balsam is of great importance. The of the glauds and restoring them to a healthy and number of deaths among children from these diseas-their own proper action. Its effects are analogous ears truly alarming. It parents wish to save the to Sagraparitia and Blood Root and in its combin lives of their children and themselves much trouble ed action in the ingredients composing the Pills, it anxiety and expense let-them procure Dr. B. D.

for a long time attracted the attention of the Medical profession and the Public, and a lively interest cessary, even one-tempoontul will often effect an has recently been directed to the future develope entire cure. During the winter of 1839 rising at ment of its active powers and is Antibilious and one thousand families employed this remedy in the Afterainse qualities, which the Proprietor is now cits of Now York. The consequence was that the happy in being ablo to gratify and presents his number of deaths among children was reduced to Pulls to the Public, with the full confidence of their less than one half the usual number as may be seen being the most sale and valuable remedy ever discovered adapted to all cases where nature is disturbed, and when any of the functions do not perform their natural or healths action

Mumerous certificates of attest from those the sit norformed in the month of May, 1839 in firmish Tiane taken them, and the testimony of several Physic edus by the agent and sublished in the New York cians who have prescribed tham, all concur to corthe rapidly increasing de roborate this opinion mand for and the universal approbation heatoned B # Allen's Balsam of Hoarhound Interwort upon them, is an additional evidence of their mer ts and usefulness

In presenting this article to the public the Pro-prestor was induenced by the hope that a medicine prepared with much care, and air our regard, to the Chemical and Therapoutic properties of its several ingredients should take the place of the thousand and one irresponsible nostrums of the present day, with which the country is defuged—and from the la-sor already testowed upon it by physicians and others he feels just fied in expecting this result

Often have the cures performed by this muticins-heen the subject of editorial comment in various new supers and journ its, and it may with truth be Certificate of Copywight on weapper and later and the writen signature of B D AILEN M D and Graduite of the cerved testimonials of greater commendation than

and the market of the course of the market nge in the fonctions of the system removing linguist County the following Resolution was until al liabilities to Cancers, glandular swellings &c , imously passed and asking up to establish shat new action in the an and econogy which figure of the fads to do "None prosition of Dr. Allen a Palanta of Haffmound hould avoid a free and continued use of them of Liverwort and Pleuris, Root, and the most asson they wish to except a long train of incurable mala-lishing effects we have seen it have upon our padies. For this purpose one should be taken every tilents, it is our decided and unanimous opinion night and morning and continued as long as any that it will cure Consumption and Liver complaint unpleasant sumptomy remain ...

For that congested and decanged state of the sys and the public generally tern which occurs in the commencement of Spring and Summer, these Pills of are particularly applicaole, in preventing Rheumatism, Courts, congestion of the lungs of , and have prolonged many a life that otherwise would have been a sacrifice to the

Those persons lighte to sore throats swelling of ensisting in part of Gold and Gil Enacietie Gold and the glands cought, and other symptoms indicating Gilt Laces, of all pa terms. Swords, from 5 to \$100 each | Scorefigle or Consumption, should take warning in Fit re of all kinds will and Worses Bahe. Cap season and embrace a remedy which, while it is the glands coughs, and other symptoms indicating searching out and eradicating disease makes no de-

ductions from the vital povers of the system. - As a Dietetic or Dinner Pill one taken half an hour after dinner will sufficiently stimulate the digestive powers of the stomach to a health's and invigorated action and they are found extremely serviceable for those who indulge in long dinners or late suppers

or unmaderately in desserts or fruit. 🗀 Il T For a full account of this interesting discov testimunials mode of operation &c see pain phlets in the band, of all who sell those Pills
